Cathy:

Let me introduce Patrick Bird who will be at your event and can explain what is in the proposed carbon pollution standard for electric generating utilities as background for your mock hearing.

I have cced him so you have his email address and here is his phone number – 617-918-1287 (Pat – Cathy can be reached at 603-224-8222).

As we discussed this will be a mock hearing at Antioch on Thursday Oct 24 from 5-7 pm. A stenographer will be there to record input from the students and that input will be submitted to EPA as comment on the proposal.

Patrick will explain what NSPS is, the approach EPA used and why it is important. As discussed, he will also add information on electricity generation in New England and transport. His presentation will be 15 minutes or less.

Those invited are

John Mann – Alstead rep

Marjorie Shepardson – Marlborough rep

Harry Young – Jafre rep

Molly Kelly – senator

Michael Simpson and Christa Daniels – prof at Antioch

1 regional planner

2 skilled workers from Leominster wind mill site who may bring up Northern pass and wind

You will be sending out a media alert this afternoon.

Thank you for this opportunity. I know Patrick will do a good job.
